here comes the thnikkamannn!

Its the Thnikkaman!

I drew the Thnikkaman from HomeStarRunner! Whenever I have down time, I love going to homestarrunner.com and just watching cartoons to pass time, or while I'm eating breakfast. My favorites has to be "Strong Bad Emails" and "Teen Girl Sqaud".

For non HomeStarRunner fans (or my younger sister, she hates Homestar so much she yells every time I mention him or anything related to the website), the Thnikkaman is a character that appears in a Strong Bad email called "Mondument" (this still probably does not make much sense lol). Basically, he is another character named "Bubs" expect in sunglasses with a "Th" taped to his chest, and it is ironic because none of the other characters know the Thnikkaman is Bubs.

I thought he was really funny so I drew him...
