cute purses I bought from a local tag sale!! □□□

Awhile back, I went to this super awesome tag sale in my town a bought a few purses while I was there!! To make things even better, each purse was only a dollar!! I'm so excited to show you what I got!! <3

The first bag I have to show is this adorable GAP tote bag!! This bag is probably my favorite!! Its so chic and basic but not

boring! I love how one of the kiss mark is red, so cute!! I also adore how spacious this bag is, it has lots of room in the main compartment and has 2 side pockets which could probably fit a water bottle!! <3

The next bag I have to show is this Vera Bradley bag!! Usually, I don't like Vera Bradley bags because the prints are very out there and they're not super trendy or classic, but this one I decided to buy since it is pink, and it is one of my favorite

color combinations (pink + brown + white)! Overall, it was definitely a good buy since it was the perfect bag for my favorite party dress, which can be seen in this post.

The last bag I got is this pink and white polka dot bag, which unfortunately does not have a brand. Usually when buying bags, I try to stick to name brands, but I just had to buy this bag since it is such a pretty color, and the polka dots make it extra cute and girly!
