what if DOS2 Lisa and Stabby Chick dressed casual?...

I don't know if this is fan art or sketches - but since I don't consider it finished since I only colored my sketches, I'll count it as a sketch

I wondered "What would me and my sister's DOS2 characters look like as modern civilians?"

So I did just that:

Basically, I drew them, added notes about their outfits + style, and then did a little bit about their personality

maybe If I have time or motivation (or preferably both) I'll do the boys (Baby and Ifan) □□
