

# Officer Pointy and Slice! ????

Pointy and Slice are official unofficial police officers!

Here they are stealing borrowing Crawford's office!

Next, they went to investigate at the café' after hearing about stolen jelly donuts!

(Pointy is not playing around ☹️)

After that, Slice stopped for a coffee break, so Pointy took some sick screenshots without her (sorry slice)

Sometime after that, Pointy found who stole the jelly donuts! [ ] [ ] [ ] [ ] [ ] [ ]

So she arrested the stinky cat... and Slice took a nap because she could.

The end [ ] [ ]
