

Crawford!

I drew the admiral of Central, Crawford!

tbh, I'm not a fan of the PSO2:NGS NPCS - I prefer the PSO2 ones sooo much more.

Crawford however, is one of my favorite characters (along with Garoa and Aina, other wise I don't really like any of the others)

Crawford's really cute, and I love his pretty purple hair and gorgeous ears...

Anyways, here is my drawing of him. After drawing him two other times, I finally have a drawing of him I like
