

# Doodle Dump #6

More doodle dumps!

In the top left corner, we have a dog named Lee. Back in 5th grade, I wrote stories about these dogs that worked on a spaceship called "The Barkley". Maybe I'll get back to it one day....

Next to Lee is a elf. She kind looks like my PSO2 character Princess Pointy. Not sure if that was intentional.

In the bottom left corner, I drew Sevagoth in his alt helmet.

And then there is a angry duck. He is very angry. You do not mess with angry duck.
