My Lost Ark character, Lishiba! (+ my dad's character)

Recently, I got into Lost Ark!

Sooo, I thought I would show you my character!

Her name is Lishiba (pronouncd lee-she-ba), and she is a sorceress!

I love her so much □□

Maybe I'll play more Lost Ark when school isn't keeping me busy... □□

I also got a couple pics with/of my dad's character!

His name is Statch since he has a mustache!
