I wanna be with the space doggos... □□

Cetus is a very nice place.

Warframe is a wonderful game.

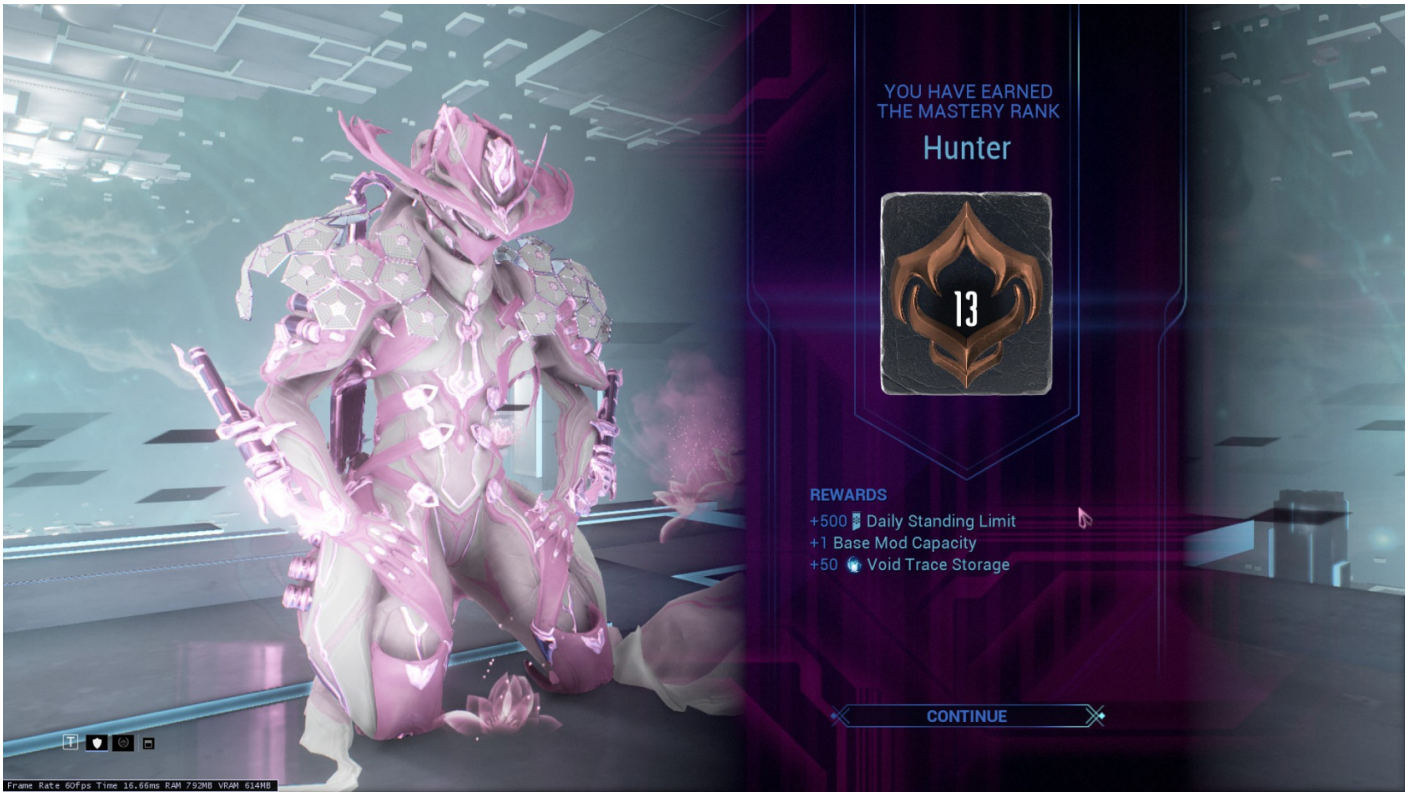

But it bothers me is that you can not jump into the baby kubrow pen by Master Teasonai and pet the adorable little puppies.

I want to show the space puppers some love □□

MR 13! □□

I made it to MR 13! □□

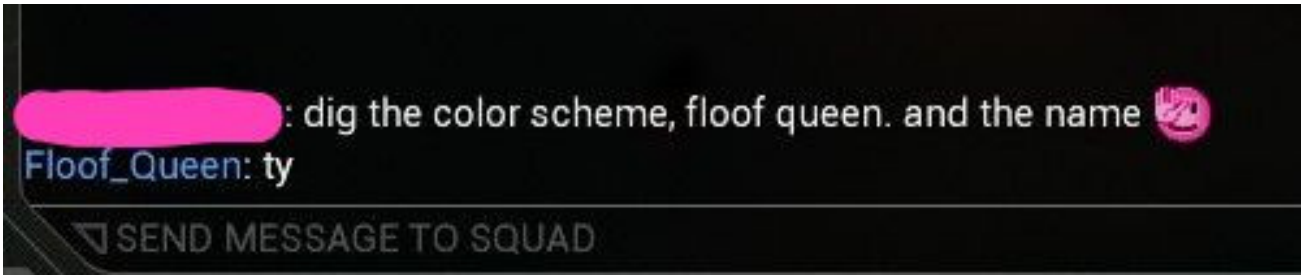

Warframe players are the best ❤

I was in a party with strangers going ducat farming when I had this cute little interaction (I'm Floof_Queen btw)

people in Warframe are so niceeee □□

I ❤ my fellow tenno

The Xaku neuroptics are a myth...

I've been trying to farm for Xaku, and so far, I have all of the parts!! EXCEPT for the neuroptics...

The only problem is I've done at least 25+ runs for the neuroptics and have not gotten them yet □□

why are they so hard to get?!? □□
