

# Mr. McButt

So my younger sister know as "ShmoopyDoopy" in Warframe, has a kubrow named Mr. McButt

Mr. McButt is a very good boy, so I took pictures of him.

(Mr. McButt has a very big butt, thus the name)

(Mr. McButt do squats with owner)

(Poor Mr. McButt is down! I was also down in this picture lol. Also don't worry, Mr. McButt was revived!)
