

Happy Spring! ?

I found this old piece I did when I was probably 5 titled "happy sring". The top of the page says "Happy Spring!" but the original file is saved as "happy sring" so I'll go with that.

It's crazy how my art has drastically changed over the last 8 years, and how I've gone from stuff like this to elven people, fan art, and whatever else I feel like doing. ☐☐.
